

The first real AWA event is finally here! Unfortunately, it won't be the monster event that we had initially planned on. Just in case you haven't heard, Spotlight Sports cancelled the event due to an increase in insurance premiums. This forced us to move our event to Lake Pleasant's Two Cow Cove. For any high school student that pre-registered for the event, please contact Randy at 480-203-0983 or email him at [ricedorff@yahoo.com](mailto:ricedorff@yahoo.com) for refund information.

So, what does all that mean for the AWA's April 23<sup>rd</sup> event? Well, it's going to be great like all other AWA events! Century Marine and Liquid Force are guaranteeing an awesome day at the lake. Two JD Power Triple Crown winning, Super Air Nautique's will be pulling the event. As if this isn't already enough to entice you to come out to Lake Pleasant, Liquid Force's own Shawn Watson will be on hand along with the Trip Across America Bus and the latest edition to the Nautique family, the SV 211. For those people interested in watching or doing something other than wakeboarding (is that possible?), a horseshoe contest will also be happening. So grab a partner, test your skills and have a shot at winning some cool prizes, like Spy Sunglasses, Straightline Handles, and remote control Nautiques. We will also have a raffle to raise funds for Powell Williams's Memorial Fund with a Liquid Force wakeboard signed by Gregg Necrasson as the grand prize.

We are expecting great weather and tons of sun, so remember your sunscreen, money for raffle tickets and a cooler. We'll see you at **Lake Pleasant's Two Cow Cove** on April 23<sup>rd</sup>. Don't forget registration and practice start at 7 am and end at 9 am.
