

MALIBU MAYHEM Victory!

Paradise Watersports of Arizona and Fluid Concepts had another successful Malibu Mayhem on May 21, 2005. As promised, Paradise Watersports awarded every rider a T-shirt for the fifth straight year! Plus, they brought some extra swag that was thrown to the crowd to show some love for all of the family, friends, and supporters of wakeboarding! Fluid Concepts created some grab bags for all division winners that included discounts on Fluid Concepts products, T-shirts, can koozies, stickers, and even wrist bands for the groms! Saturday's 109 degree heat was melting the 53 riders and Kor Gear stepped up and served ice cream sandwiches to riders and spectators.

Glen Coy was crowned King of the Double Up and took home the \$200 cash prize by sticking a solid Roll to Revert. The "Spicoli" Award for crash of the day goes to Jason King for his most impressive wipe-out! Ben Christensen nabbed first place in the Outlaw division at possibly his last AWA event for the next few years. Ben leaves in June to go on his mission and we would like to say farewell, good luck, and you will be missed!

Congratulations to all of the top three riders in each division:
