

Kick-Off the Summer with the AWA

March 19th @ Lake Pleasant Two Cow Cove – Registration begins at 7:00 AM

In 2005, we wanted to start the season and celebrate the end of winter with a free ride event. With the huge X-FEST event in April, this will give all of you riders, staff, and volunteers a chance to work out all of the “Buggs”.

Especially for our riders, we have CWB, Hyperlite, and Liquid Force bringing 2005 gear for demo. Plus thanks to Century Marine and Nautique Boats, pro riders Greg Necrasson and Ben Greenwood will make appearances and do some exhibitions just for the AWA family!

The Free-Ride event will not be counted in the 2005 standings; therefore, we are offering the following specials:

- Purchase an AWA membership* plus a full year WWA membership** and ride for only \$5 more.
- Purchase full year WWA membership and ride for \$10 more
- Purchase a single event WWA pass and ride for \$30 total
- Pre-register for X-FEST held April 23rd – all money is due at time of registration. No refunds.

This event is intended to simply get out on the water and do what we love to do – WAKEBOARD! We look forward to seeing you March 19th, and for those who love camping out the night before – don't forget firewood!

*AWA membership is new this year and provides riders with special membership discounts at all events and participating sponsors. The cost of AWA membership is \$25

**WWA pass is required to ride any event. Membership provides a discount over purchasing single events. The cost of a full year WWA membership is \$35.
